Knowledge & Continuous Learning

We are committed to further developing the many talents of our people so that we can improve our oversight and operations to meet the needs of ever more sophisticated clients.

IPSTON&CO. Values

Integrity

Integrity establishes trust and thus provides the basis for reliance on our judgment. We perform our work honestly, diligently, and responsibly, adhere to the highest standards of ethical and professional conduct.

COMMITMENT TO EXCELLENCE

Excellence is the yardstick by which we measure our performance. Exceptional quality pervades all our activities. The pursuit of excellence is a journey never completed.

PERSONALIZED SERVICE

Our approach is to collaborate with you regularly, not just at year-end, to better understand how to achieve your personal concept of success.

Our accountants are dedicated to customizing plans in accordance with your situation, your issues, and your goals. We genuinely care about the people who we work with and we will go above and beyond to ensure that IPSTON positively contributes to your bottom line and personal well-being. Your success and our reputation are built on the close working relationship and attention we provide.

IPSTON&CO. **Mission**

Our mission is to keep the quality of our skills and services on a high level that will deliver real and relevant value to your business. Our true value lies in our expertise that will save your time and money or enlarge your brand reputation and provide you with the possibility to be competitive in your market. Our experience shows that if our clients are satisfied, our own success will follow. We have an uncompromising determination to achieve excellence in everything we undertake. Though we may be involved in a wide variety and heavy volume of activity, we would, if it came to a choice, rather be best than biggest. Our clients and partners can always trust us to conduct business with honesty and integrity. We value growth and encourage progress what leads us to excellence and great achievements

IPSTON&CO. **Vision**

To make IPSTON Accounting & Business Consultants a symbol of success and trademark, a firm recognized for the highest standards of integrity, professionalism, and service excellence. While considering the higher standard of performance and by creating opportunities for our stakeholders all over the UAE.

IPSTON&CO. **Goals**

- We care deeply about the results of our efforts and we hold ourselves personally accountable to our clients and to one another for delivering on our commitments.
- We care for one another, our clients, our firm, and our communities.
- We all aspire to make a difference and to create significant value resulting from our efforts.
- We “do the right thing” and maintain high ethical standards and IFRS standards (International Financial Reporting Standards).

IPSTON&CO. SERVICES

AUDIT & ASSURANCE

An audit is the systematic inspection and examination of the company accounts, vouchers, and documents to ascertain how the financial statement of the company is presented in a true and fair matter as required by the law.

IPSTON&CO. can examine and check the arithmetical accuracy of the accounts, verify and validate transactions, confirm the existence of assets and liabilities value, check the distinction of capital and revenue transactions, and prove that the financial statement is presented in a true and fair matter as per and IFRS standards (International Financial Reporting Standards).

ACCOUNTING & BOOKKEEPING

- Accounting & Bookkeeping is the process of obtaining and recording day-to-day financial information and transactional information from business activities like sales, payments, and receipts of business and recording it in the books.
- With companies required to keep records of all their financial transactions, it's essential to engage the services of professional bookkeeping and accounting firms who can assist in creating accurate and legally compliant business records.
- IPSTON&CO. offers a cost-effective, flexible team and prides itself on professionalism. As trusted bookkeeping and accounting firm, our team is well qualified to handle your sensitive business data and keep your information safe and secure.

VAT SERVICES

- The Federal Tax Authority (FTA) is the government entity that is responsible for the collection and management of the Taxes. All the legislation including the guides and clarifications are provided by the authority to help the business organizations.

- VAT is an indirect tax that is levied on the consumption of goods and services. The imposition of vat greatly has an impact on the functioning of the business and with increased risk, volume, and complexity of the transactions it becomes difficult for the taxpayers to meet the tax compliance.

- IPSTON is FTA **Approved Tax Agent**. Being a certified Tax Agent, we are providing continuous professional support to the taxpayers to ensure that they are adopting proper tax procedures and VAT compliance. We can help your business in analyzing your transactions and solving tax disputes.

OUR SERVICES INCLUDE:

- VAT Registration
- VAT Return Filing
- VAT Compliance
- Accounting Systems for VAT
- Attending Company's Tax Inspection by FTA

Business Management & Consultation

Transform the way your organization works and see the impact on your business and your bottom line. When you align your business strategy and goals with people, processes, technology, and data, you have the ability to optimize and improve the way you operate, and as your strategic partner, we'll be there for you every step of the way.

At IPSTON&CO., our Management Consulting Services deliver actionable solutions to real business challenges that span across people, technology, data, and finances. Our business and management consultants provide enterprises and organizations with strategic leadership and transformational insights. Together, we work with you to deliver thoughtful, practical guidance and recommendations.

Company Formation

We offer our clients a range of incorporation services through extensive experience of local business, good working knowledge about the rules and regulations of UAE, and a high level of personal involvement. We have an experienced team of professionals, specialized in advising the right kind of business setup considering the need. Our consultants design specific services which help business owners to start a business in a cost-effective manner in their desired location.

C O M P A N Y L I Q U I D A T I O N

- Company liquidation is the process of shutting down a company and closing all the operations related to the company. Company liquidation is an event that occurs when a company is at loss and has no money to pay its remaining debt.
- When the business is liquidating, all the organizational assets are distributed among the shareholders and creditors, based on their priority of claims.
- The process of closing a company is called liquidation and the person or a company that conducts the liquidation process is known as liquidators.
- We at **IPSTON&CO.** will extend all our assistance in this regard. We can prepare liquidation reports which are mandatory for winding up Companies.
- The Company will be required to draft resolutions for winding up and appointing the liquidators. We have experts to help you draft the required documents to commence the winding up. Once the initial legal proceedings are completed and the advertisements for liquidating the Company have been published, we will audit and issue the liquidation report which is a mandate for the completion of the liquidation.

We provide Company Liquidation Services in the UAE for all types of entities in the region

- Liquidation of mainland companies such as Limited Liability Companies, Civil Companies, Establishments
- Liquidation of Free Zone Companies of any of the free zones in UAE.
- Liquidation of offshore companies across the UAE

B U S I N E S S P L A N & F E A S I B I L I T Y S T U D I E S

You will gain a comprehensive overview of competitive factors in addition to demographic, economic, legal, economic, financial, and technical risks. IPSTON feasibility experts are highly experienced in creating perfect business plans and conducting feasibility studies as well as making comprehensive feasibility study reports.

PRO SERVICES

are professional document clearing services. These documents are from the government and ministry that are required for the formation of a company.

PRO Services are useful when not familiar with the government bureaus and local requirements.

They play a significant role when you want passport clearance, business licenses, immigration, trademarks IPSTON's PRO Services includes and is not limited to assisting in the required paperwork, submission of documents, taking approvals, filling up relevant forms, getting clearances from the Ministry of Human Resources & Emiratization, Chamber of Commerce Dubai, Department of Economic Development (DED), Dubai Free zone Authorities, etc.

While you focus on your core business activities, our expert team will handle all your administrative, Visa processing, and all allied PRO services

CONSULTANCY REPORTS

Consultancy reports are one of the most important reports, written for a non-specialist audience. Often, they are written in response to a request for information from an organization or business.

Consultative reports are used in cases such as fraud, theft, and manipulations in the accounting books of companies of various kinds, along with other service activities include counsel, advice, facilitation, process design, and limited training.

IPSTON&CO. able to provide Consultancy reports with the skills and expertise, and Legal Opinions in all areas with a high level of secrecy and privacy.

TRADEMARK REGISTRATION

A trademark is an identity for your business that separates your goods and services from the rest in the market. It may be in the form of logo, design, phrases, pictures or patterns, etc. Trademark registration will confer an exclusive right to you and protect your business.

IPSTON&CO. provides the paperwork. And the research that you need to allow you to register your trademark. With the least amount of worry and work on your part.

FRAUD RISK EXAMINATION

Fraud is one of the biggest and most damaging risks businesses face. Large frauds have led to the downfall of entire organizations, massive investment losses, significant legal costs, incarceration of key individuals, and erosion of confidence in capital markets. Whether you are concerned about asset misappropriation, fraudulent financial reporting, or employee corruption, we have the resources to quickly deploy when you need a rapid response.

We can help you to prepare and protect your company from fraud-related regulatory, financial, and reputational risks.
